RULES AND REGULATIONS FOR SEXUALLY TRANSMITTED DISEASES

CHAPTER 2 Reporting Procedures

Section 1. <u>Disease List</u>. W.S. 35-4-130 declares Sexually Transmitted Diseases to be contagious, infectious, communicable and dangerous to public health. A current listing of time based reportable diseases may be obtained from the office of the State Health Officer, State Epidemiologist, state Sexually Transmitted Diseases Program or State HIV/AIDS Prevention Program. Reportable Sexually Transmitted Diseases include the following (a through e):

- (a) AIDS Acquired Immune Deficiency Syndrome
- (b) Chlamydia Chlamydia trachomatis
- (c) Gonorrhea Neisseria gonorrhoeae
- (d) HIV Infection Human Immune Deficiency Virus
- (e) Syphilis Treponema pallidum

Section 2. Reporting Required.

- (a) The following is a list of individuals and facilities which have an independent duty to report the occurrence of sexually transmitted disease:
- (i) A physician or other health care provider diagnosing or treating a case of sexually transmitted disease:
- (ii) The administrator of a health care facility or penal institution in which there is a case of a sexually transmitted disease;
- (iii) The administrator or operator of a laboratory performing a positive test for sexually transmitted disease.

Section 3. Reporting Procedures/Methods.

- (a) The physician must report or cause a report to be made using an official State Disease Case Report, a report via telephone, or a report via secured fax.
- (b) The administrator of a health care facility or penal institution must report or cause a report to be made of the diagnosis or treatment of a sexually transmitted disease..
- (c) The administrator or operator of a laboratory must report or cause a report to be made of test findings for reportable sexually transmitted diseases.
- (d) Any physician or other health care provider and any administrator or operator of a health care facility or laboratory or penal institution reporting a diagnosis or positive test result pursuant to W.S. 35-4-130 through 35-4-134 shall notify any health care employee and/or health care professional reasonably expected to be at risk of exposure to a dangerous or life-threatening sexually transmitted disease, e.g., HIV/AIDS, who is

involved in the supervision, care, and treatment of an individual infected or reasonably suspected of being infected with a dangerous life-threatening sexually transmitted disease.

- (i) Notification shall be verbal.
- (ii) Notification shall take place within 24 hours or as soon as possible.

Section 4. <u>Submission of Reports</u>. All sexually transmitted diseases and HIV/AIDS reports made by the physician or other health care provider, administrator of a hospital, director or supervisor of a laboratory facility, dispensary or penal institution, or any other health care facility shall be forwarded to:

Wyoming Department of Health Preventive Health and Safety Division Epidemiology Section Hathaway Building, 4th Floor Cheyenne, Wyoming 82002

> Fax: (307) 777-5573 Phone: (307) 777-3593

All written reports mailed utilizing a mail carrier shall be in an envelope marked "CONFIDENTIAL".

Section 5. <u>Report Forms</u>. Reporting forms may be obtained from the Wyoming Department of Health, Epidemiology Section.
